Nevada Street Tenants Meeting

The meeting was called to order by the president. Minutes of the previous meeting were read. Ms. Scott read a letter from Councilman Bell in reference to the complaints that we had sent to him. We spoke on the Nevada Street Mall, how filthy it is and we would like to see it kept clean by the Sanitation Department. We also spoke about the oil on the sidewalk by the car wash.

Someone mentioned that the truck that parks in the parking lot obstructs peoples view, so that it is unsafe for tenants coming and going into the parking lot. It was also said that tenants that go to the hospital and are paid up should be paid for being in the hospital.

We then had the grievances report. Evacuation plan, floor captains need to know their duties. We also spoke about the PA system, the tenants would still like to see one installed. A welcome committee was formed to welcome the new tenants in the building.

Ms. Anderson gave a report on the June conference.

The meeting was then adjourned.
